**Welcome to the newest student in our classroom, Jacob!
Jacob has settled right into our classroom routine and loves joining in with all the activities.**

Our class has been practising kicking in the water during our swimming sessions in the nice warm pool at Base. We have been using flutter boards, the rail around the pool and hula hoops under the water to help us while we use our strong legs to kick and make lots of splashes.

DRC - Devonport Road Campus

Tui (seniors) class have been using their new Bee cards to travel on the number 55 bus from town into Greerton, free of charge. We are looking forward to using our cards to travel to different community facilities, further afield, in the future.

Tui also enjoys doing art activities using different media such as paint, sand and used magazines.

Pūkeko (junior) class has been visiting Tauranga Domain every week and practising for the whole school cross country event.

We are looking forward to seeing everyone in TSS on cross country day!
